Creamy Spiced Apple Cider Slushie

Ingredients:

- 2 cups fresh apple cider
- 2 cups ice
- 3 Tbsp. Frostline Crafted Collective™ Spiced Apple Cider Dry Mix
- 1 Cup Frostline® Premium Dairy Vanilla Flavored Dry Mix
- Cinnamon sticks for garnish

Instructions:

- 1. Blend the ingredients:**
In a high-powered blender, combine all the ingredients and blend mixture into a smooth, slushie-like consistency.
- 2. Serve and garnish:**
Pour the slushie into a tall glass and garnish with a cinnamon stick.

Lavender Lemon Butter Cookie Boba Beverage

Ingredients:

- 1 cup of brewed and cooled tea (white tea works best)
- Frostline Crafted Collective™ Lavender Lemon Butter Cookie Dry Mix combined with Frostline® Premium Dairy Vanilla Dry Mix and water in a speed pour vessel.
- ¼ cup prepared brown sugar boba pearls
- Ice cubes

Instructions:

1. Place the prepared boba pearls at the bottom of a tall glass.
2. Fill the glass with ice cubes.
3. Add the brewed tea and lavender lemon speed pour mixture into the glass.
4. Stir the drink well with a boba straw until all the ingredients are combined and the color is consistent.
5. Serve immediately and enjoy your homemade creamy lavender lemon boba drink!

Sweet Orange Vanilla Cold Foam Beverage

Ingredients:

- 1 cup of strong cold brew coffee, cooled
- 3 Tbsp. Frostline Crafted Collective™ Vanilla Orange Swirl Dry Mix combined with 1 cup Frostline® Premium Dairy Dry Mix and 2 cups water in a speed pour container
- ½ cup heavy whipping cream
- 2 cups of ice cubes

Instructions:

1. Blend the cold brew coffee and half of speed pour mixture and set aside.
2. **Create the Orange Vanilla Cold Foam:** Blend the heavy whipping cream and half of the speed pour mixture. Froth with a frothing tool until the mixture is thick and creamy, producing plenty of foam.
3. **Assemble the drink:** Fill a tall glass with ice. Pour in your cold brew mixture. Layer the fluffy orange cold foam on top.

Strawberries 'n Cream Dutch Waffle Dirty Soda

Ingredients:

- Cola or lemon-lime soda
- Frostline Crafted Collective™ Strawberries 'n Cream Dutch Waffle Dry Mix and Frostline® Premium Vanilla Dairy Mix combined with water in a speed pour container
- Ice
- Fresh strawberries for garnish (*optional*)
- A tall glass

Instructions:

1. Add Ice and Soda:

Fill your glass with ice cubes. Slowly pour the soda over the ice.

2. Create the “Dirty” Swirl:

Slowly pour the strawberry cream mixture directly into the center of the soda. It will sink and then swirl upward, creating the classic “dirty” soda effect.

NOTE: Will generate a good amount of foam on the top.

3. Garnish and Serve:

For a final touch, add a few fresh strawberry slices or a whole strawberry on the rim of the glass.

PRO TIP: SPEED IT UP!

Mix your Frostline® Dry Mix as usual, add some into a speed pour, and you're ready. You'll always have mix on hand to add to coffee, dirty sodas, or anything else you can imagine!
